

Founded in January 2014, MADE (Making A Difference Everywhere) has become a grounded youth led non-profit organization within St. Kitts. Operating on the values of **respect, love, helpfulness, selflessness and trust**, our members take extreme pride in doing what we do. The organization runs various programs tackling education, environment, social and mental issues all whilst encouraging young people to volunteer their time to help and support a special cause. One of our signature programs is our **MADE in the Spirit of Christmas** event where members journey to different communities on the island and distribute gift baskets to elderly persons.
